

Login

Screen name: Login

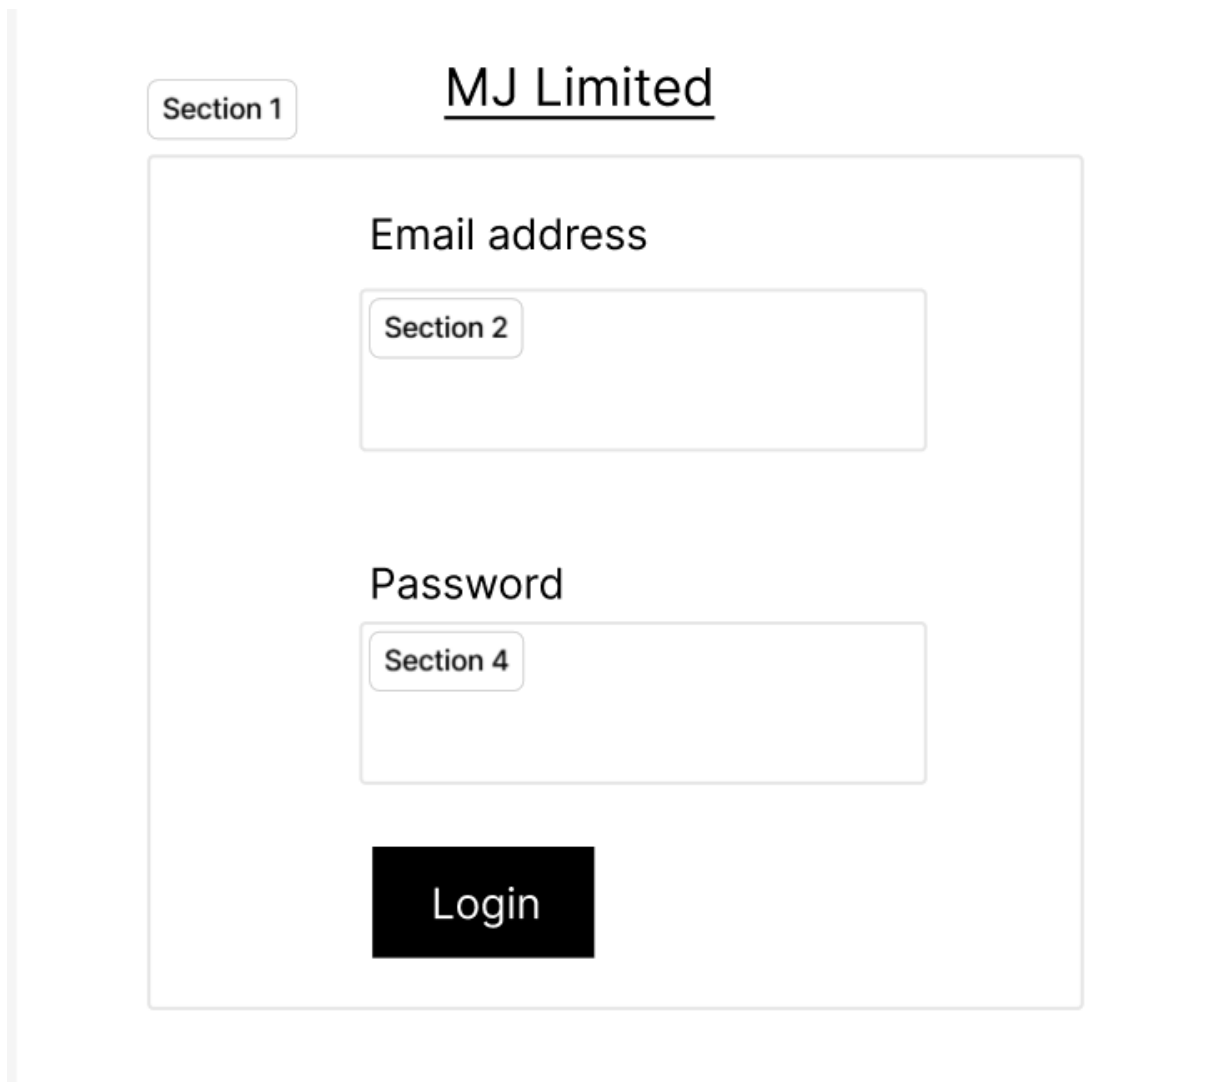

Purpose: To login into the system

Key components: Email and password input boxes

Data shown: none

Actions available: text input boxes

Permissions (which roles can access): staff and managers

The image shows a login form for 'MJ Limited'. The form is contained within a light gray border. At the top left of the form area is a small rounded rectangle labeled 'Section 1'. In the top center, the text 'MJ Limited' is displayed in a large, bold, black font. Below this, the text 'Email address' is centered. Underneath is a large rectangular input box. Inside the top-left corner of this input box is a smaller rounded rectangle labeled 'Section 2'. Below the email input box, the text 'Password' is centered. Underneath is another large rectangular input box. Inside the top-left corner of this input box is a smaller rounded rectangle labeled 'Section 4'. At the bottom center of the form is a black rectangular button with the word 'Login' in white text.

Dashboard

Screen name: Dashboard
